

# Your Ticket to Healthy Travel

A travel consultation helps you stay healthy and avoid getting sick abroad by identifying the vaccines, prescriptions, and precautions you need—based on your destination, itinerary, and personal health history.

## Our Easy Process

### 1. Book an Appointment

Appointments are available mornings, evenings and 7 days a week.

### 2. Meet with Us Virtually

Chat with a travel health expert to get personalized advice on the risks at your destination.

### 3. Collect Your Travel Medicine

Pick up your prescriptions at your local Pharmacy.

## Certified Travel Health Experts

Get advice from our International Society of Travel Medicine trained team, 5 star service, with advice that goes beyond the basics.
